KENTUCKY BAPTIST

SENT ONES

Sent from Kentucky. Sustained by you.

Terry & Penny Lambert

Serving the Daviess-McLean Baptist Association with the MSC

We work for the Daviess-McLean Baptist Association, running their thrift store and food pantry 3 days a week. We prepare food boxes, reach out to churches in the association for food assistance, and coordinate with local organizations within our community for help. We also do mission work in Honduras and Eastern Kentucky.

Currently, we are members of CrossView Church in Owensboro, KY, a new church plant of the KBC. Terry is a deacon at our church. Penny grew up in Muhlenburg, County, KY, and Terry grew up in Daviess County, KY. We are thankful we can continue to serve the Lord in our retirement years.

Prayer Requests

- Our first prayer is that God would keep us in good health, so that we can keep on serving Him and others in need.
- Pray for our store and especially our food pantry, that we would have enough to supply food to families in need.
- Pray that our church would find a permanent building to worship in, as currently we are moving between two different places each week.
