

KENTUCKY BAPTIST CONVENTION

# CHILDREN'S MINISTRY

## PRESENTS VIRTUAL VBS CLINICS CONCRETE & CRANES DECORATIONS LISTENING GUIDE

The video shares ideas that can be made from items such as cardboard boxes, plastic bottles, poster size foam board, craft paint, duct tape and other assorted items.

Directions for the items shown can be found in the "Decorating Made Easy" book for the VBS theme this year.

### Couple of helpful hints:

- Save boxes....save boxes....save boxes!!! We used all kinds of sizes. A large majority were made from "Amazon" shipping boxes. They can be cut and duct taped in a variety of ways to form the 3D vehicles.
- Craft paint (especially Martha Stewart brand) is perfect for painting the cardboard.
- Reach out to people in your church for a variety of items....we made the "Little Tykes" bulldozer from a car that was donated by one of our church members whose children had outgrown it.
- Reach out to local businesses....especially construction and home improvement. You might be surprised what they are willing to donate!

Any questions...please feel free to contact us:
