Meet Church Planters Hear Their Vision Make Partnerships

São Paulo

- "For churches to rise up and participate in the furtherance of the gospel by building relationships and proclaiming salvation through Christ."
- "There is extreme lostness in São Paulo that needs people to share the light of Christ."
- "The key to making a difference is through prayer. We need prayer warriors that are willing to cry out to God on behalf of the people of São Paulo. Also, KBC churches can make a difference by participating in international missions and creating real life relationships with the local churches here in São Paulo."
