PLANT LOUISVILLE STRATEGY

Reaching underserved communities for Christ

Louisville has highly populated neighborhoods with minimal access to a healthy gospel-centered church. The Kentucky Baptist Convention is partnering with the Louisville Regional Baptist Association to plant churches in some of these high-need areas:

Tyler Park/Cherokee Triangle/Belknap, Central Business District and Indian Hills. The combined population of the neighborhoods is larger than Ashland and almost equal to Paducah. Please pray:

- for the 11,100 people in the Tyler Park/Cherokee Triangle/Belknap with no SBC churches.
- for the 5,245 people in Indian Hills with no SBC churches.
- for the 3,622 people in the Central Business District with no SBC churches.
- God will raise church planters and established churches to adopt these neighborhoods.

To schedule a vision trip to these neighborhoods, or to get more information on ways you can get involved, contact the KBC church planting department at churchplanting@kybaptist.org or Justin Compton, Louisville Regional Baptist Association's Church Planting Catalytic Consultant, at justin@lrba.org.
