

LOSTNESS
IN VIEW

STRATEGIC MISSION FIELD

Pray for a spiritual awakening on college campuses

The university campus has been called the epicenter of lostness in our society. Universities bring together leaders from virtually every field and from around the world at a foundational time in their lives. Approximately 200,000 students attend 120 colleges and universities in Kentucky. Kentucky Baptists currently have ministry work on 26 of those campuses. Please pray:

- for God to draw college students to know Him through the gospel.
- for Christian students to stand boldly as witnesses for Christ on campuses.
- for international students to come to faith in Christ and return to their home countries as missionaries.
- for faculty and administrators to come to Christ and be witnesses for Him.
- for Kentucky Baptists to have ministry work on 50 campuses by 2025.

To help engage college students with the gospel or to help start a new BCM ministry work on a college campus, contact us at campusministry@kybaptist.org.
