METROPOLITAN NEW YORK BAPTIST ASSOCIATION

CENTER FOR GLOBAL IMPACT

## WHO WE ARE

The Metropolitan New York Baptist Association (MNYBA) is a family of churches dedicated to making disciples of all people within a 75-mile radius of Times Square. Our churches come in all sizes, from a small group beginning a new church in a living room to hundreds worshipping in church buildings or rented facilities. Restaurants, hotels, and community rooms in apartment complexes are also places where our churches gather.

Our churches reflect the diversity of the region. They have a heart for the nations, a love for people and a commitment to be the presence of Christ in their neighborhoods.

New York City is the largest city in the United States, and is ranked consistently as the most influential city in the world. The NYC Metro is home to more than 22 million people. Close to 60% of all city residents are either immigrants or children of immigrants. Our mission is to connect local churches for global impact.

## WHAT WE DO

If we can reach the city with the gospel, we will impact the entire world. The vision of MNYBA is to have a gospel-centered church that is geographically, culturally and linguistically accessible to all 22 million people in this region. To accomplish this, we help begin to new churches, raise up leaders and mobilize people to be on mission.

MNYBA works with our mission partners to recruit, assess, deploy and coach church planters. Through partnership development and our internship program called Multiply NYC, we resource these church plants with prayer support, mission volunteers, and financial help.

Through events like SYNERGY, MNYBA provides leaders with opportunities for ministry training, gospel resources and fellowship. THRIVE brings together pastors in learning communities for encouragement, ministry assessment, friendship and prayer.

MNYBA helps churches across the country to connect with our churches for church planting and ministry among unreached peoples in our area. Our partners pray, participate in local ministry by sending volunteers and mission teams, provide financial support, and promote our work to others.

## WHO WE SERVE

At MNYBA, we serve:

God, who longs to draw the nations to His Son through His Spirit;  
Pastors, church planters and church leaders

The Millions who do not have an active, personal relationship with  
God through Jesus Christ

The City, which is not the scary, unwelcoming and unreceptive  
place many imagine

Churches and volunteers around the country seeking to be  
involved in the mission of God in Metro NYC.
