

Church Planting Prayer Guide: Mexican People in Louisville

1. Pray for the 37,000+ Mexicans within Louisville.
2. Pray for laborers to be sent into the harvest from among local churches.
3. Pray for local churches to have a heart for peoples of varying ages, ethnicities, and languages.
4. Pray for God to raise a strong Mexican pastor among believers in Louisville.
5. Pray for local churches to begin working together on a strategy to plant one or more Mexican churches in Louisville.
6. Pray for local Christians and leaders to identify spiritually hungry leaders from among the varying people groups represented.
7. Pray for the associational leadership team to encourage, equip, and support the churches in and around Louisville toward planting among this people group.
8. Pray for believers who live amongst this unreached area to actively pray for and evangelize their neighbors.
9. Pray that local believers will begin to build discovery Bible studies, disciple new Christians, and seek to develop a new community of Mexican believers organically.
10. Pray for the area pastors to begin putting together a plan to partner with one another to strategically reach this people group for Christ.

Three Big Facts:

1. This area has over 42,000 people in a 2.5 mile radius without a Bible preaching church.
2. A church plant in this area may best come from the concerted effort of multiple area churches working together to set a strategy, define goals, and provide leadership.
3. A covocational pastor would best suit this area; particularly one who lives and works among the people.
