Gathering Grace  
**CWM**  
Center for Women's Ministries®

## *New Name!*

Grayson County CWM is now....

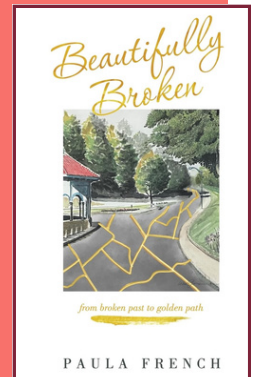

**New Name... Same Ministry  
...Same Mission**

The Center for Women's Ministries has been ministering to women in the Grayson County area since 2013. Our goal is to empower women toward emotional and spiritual wellness. Our advisory team desired that our name better reflect our mission and beginning in 2025, we are transitioning to Gathering Grace CWM (Center for Women's Ministries). You may see both names for a while, as we help create awareness for the change.

*"I sought the Lord and he answered me: he delivered me from all my fears." Psalm 34:4*

Often times, we cannot pinpoint where the emotional turmoil we are experiencing comes from, and therefore remain "stuck in a rut" so to speak emotionally and perhaps spiritually. The Beautifully Broken study group seeks to help women connect what they have experienced in the past to difficulties they are experiencing in the present, and point them toward the path of hope and healing for the future. The subtitle is 'From Broken Past to Golden Path', exemplifying the transformation that women have experienced through this group. When we call out to the Lord, He is faithful to free us from the chains that keep us in bondage. This group is offered on a regular basis at Gathering Grace.
