

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

Daniel & Megan Duda

Serving in Poland with International Mission Board

These Kentuckians were sent out from Northside Baptist Church, Elizabethtown. They met in Hardin County and both studied at The Southern Baptist Theological Seminary. They began their missionary service in Russia and were forced to leave when the war started.

Daniel, Megan, and their 3 children have relocated to Poland where they are learning a new language, custom, and culture. They are involved through church planting, ESL, and ministry to displaced Ukrainians. They hope soon to begin an outreach to students on the university campus and an English conversation club in the city.

Prayer Requests

- Pray for God's favor as they adjust to a new country and learn a new language.
- Pray for new families to join their team in the coming months.
- Pray for open doors to share the gospel on the university campus.
