

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

Rob & Mandi Allen

Serving in Appalachia with SEND Relief

Rob and Mandi grew up in Ashland, Kentucky, where they both graduated high school. He was an active lay leader at Highview in Louisville while serving on staff with Crossings Ministries, before returning to Ashland in 2017 to serve as Director of the Appalachia Ministry Center. They have two daughters and are thankful for opportunities to serve together as a family.

Rob leads ministry engagement and equips churches to help rural communities end generational cycles of poverty, food insecurity, and prevalent struggles with addiction. He also works closely with state convention partners and provides resources to disaster relief directors in times of crisis response.

Prayer Requests

- Pray churches coming to the center will return home with fresh eyes to serve their community.
- Pray for our team as we encourage and equip churches to meet needs and share the gospel.
- Pray God sends additional churches to partner so others will come to know Christ.
