

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

J & J

Serving in Central Asia with International Mission Board

J1 & J2 (due to security concerns) serve in a smaller metropolitan area of Central Asia where they focus on building up the one existing church in a city of 500,000 people. Their focus is on an unreached people group in the area that has very little access to the gospel due to their language differences and rural isolated living situation.

J1 & J2 were both active members of the BCM's where they graduated (Morehead State and Western). They were sent by Christ Fellowship Church in Bowling Green who have provided eternally valuable teaching and care for them overseas.

Prayer Requests

- Pray our local church of 15-20 believers will mature spiritually so some may serve as deacons and elders.
- Pray for the unreached millions around us who do not know Jesus as Savior and Friend.
- Pray that Jesus would be our greatest joy and sustenance in this place and forever.
