

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

James & Abbey Mason

Serving in Scotland with International Mission Board

These west Kentuckians have connections to so many KBC churches. James & Abbey were both involved as youth at Northside Baptist in Princeton. After high school, James attended Boyce Bible College. They were married and involved with Grace Fellowship and Bashford Manor churches while living in Louisville.

After 4 years in Central Asia, James & Abbey and their four children (ages 11, 10, 4, & 1) now serve outside of Glasgow, Scotland. They are part of a church planting and revitalization team. They hope to secure a building soon and launch Grace Church in late 2025 or early 2026. To receive their newsletter: email jmason@imb.org or amason@imb.org.

Prayer Requests

- Pray for local believers and partners to join in the launch of Grace Church in the coming months.
- Pray for unity in decisions and a love for the community they are investing in.
- Pray Abbey will be granted access to schools for teaching scripture and James will find open doors for the gospel through sports.
