

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

Chuck White

Serving as an MSC Missionary in Pulaski County, Kentucky

Chuck and his wife Tina have been actively serving the Lord through the local church for over 35 years. They worked with young people in Sunday School, discipleship training, missions, and VBS. But in 2021, Chuck retired and was sent by Pleasant View Baptist Church of Somerset to serve full-time as director of First Priority Lake Cumberland.

In America, 95% of our youth attend school, but only 12% attend church weekly. This makes the public-school campus one of the greatest mission fields. For this reason, First Priority works with local churches on school campuses using a student-led gospel focused strategy for reaching middle and high school students. Learn more about the ministry at firstpriority.club/lake-cumberland.

Prayer Requests

- Pray students will boldly share Christ with friends at school
- Pray for ministry needs and God's clear direction
- Pray legislators will not create laws limiting ministry in public schools, specifically, Senate Bill 181
