Walt and Marla Cedar

Serving in Central Asia with the International Mission

Walt and Marla Cedar are pseudonyms for this family that has been working in the Muslim world since 1997. Their work is focused on small tribal groups in a country where Americans are not welcome and nationals are persecuted for following Jesus. The Cedar's led a 14-year effort to create a short gospel video in the 107 languages of their region and continue to reach out to unreached people groups.

Marla was born in West Liberty, grew up in Leitchfield, and is a graduate of Grayson County High School. Walt & Marla are both members of Leitchfield First Baptist Church.

Prayer Requests

- Pray we can reach remote tribes through the gospel videos and new ones be developed for those places where no scripture is available.
- Pray local authorities will allow us to remain and that God will protect the henna Bible storying ministry.
- Pray for our two adult children facing difficult circumstances in the USA.
