Todd & Audra Hatfield

Serving as MSC Missionaries in Eastern Kentucky

Todd and Audra Hatfield are missionaries in southeastern Kentucky who serve as directors of Sacks of Love. Sacks of Love seeks to reconcile hurting people to God, family, and community through the power of Christ in partnership with the local church. They do this by meeting the physical and spiritual needs of school age children and their families through community classes, a "free" store, and food distribution.

Todd grew up in Harlan County and both of the Hatfields are graduates of Clear Creek Baptist Bible College in Pineville. Additionally, Todd has served as pastor of churches in southeast and north central Kentucky. You can email them at lynm2020@gmail.com.

Prayer Requests

- Pray for volunteers and teams to come alongside us because the harvest is great.
- Pray God will enable us to purchase the building we are meeting in.
- Pray for wisdom and discernment as we parent teenage and young adult children.
