

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

James & Lily Dwyer

Serving in North Africa / Middle East with the IMB

The Dwyer's live in a large city that has almost no knowledge of Jesus. They develop resources in the local language to reach people in that country. They have found social media to be a fruitful platform for developing relationships and engaging people with the gospel who may have no other connection to believers.

Lily grew up in Kentucky and graduated from WKU while James studied at Southern. They were sent by Forest Park Church, Bowling Green.

Prayer Requests

- Pray our growing family will be continually united by the love of Christ.
- Pray for faith & endurance to follow the great pursuit in our context.
- Pray for the continued development of successful resources in the language to reach our people.
