Sent from Kentucky. Sustained by you.

Bryan & Whitney Jackson

Serving in Japan with the International Mission Board

Bryan & Whitney have served for the last 8 years as missionaries to the nation of Japan through digital engagement. This ministry platform allows them to sow gospel seeds within Japan's third largest city. They also minister to Japanese returnees who have been engaged by American churches with the gospel while in the US.

They were sent by Post Oak Baptist Church, Russellville, where Bryan served for four years as the next gen pastor. You can contact them at thejacksonsinjapan@protonmail.com.

Prayer Requests

- Pray the stateside assignment we are finishing will be restful as we prepare to return to Japan.
- Pray for safety as we travel sharing what God is doing through our ministry in Japan.
- Pray the time with our families would be blessed while we are home.
