

# KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

## Mackenzie Lynch

*Serving in Kenya with the International Mission Board*

Mackenzie met a refugee for the first time while attending WKU and God placed a burden on her heart. Her eyes were opened to the immense suffering refugees endure, and God called her to walk with them as a way of sharing the hope of the gospel.

Mackenzie grew up in Bardstown, and her sending church is Christ Fellowship, Bowling Green. She is a graduate of the Southern Baptist Theological Seminary and has lived in Nairobi, Kenya since 2021 where she works with refugees while engaging lostness through trauma healing Bible studies, teaching English, home visitation, discipleship groups, and evangelism. Visit [mackinafrica.com](http://mackinafrica.com) for ministry updates.

### Prayer Requests

- Pray that Nairobi believers will care for refugees around them and boldly share the gospel.
- Pray for the spiritual health of churches in Nairobi as many preach a false gospel.
- Pray for the discipleship of new believers to grow in their faith.
