

# KENTUCKY BAPTIST SENT ONES

*Sent from Kentucky. Sustained by you.*

## Audrey Meredith

*Serving in Appalachia with SEND Relief*

Audrey is an active member of Legacy Ashland Church and serves as center consultant with the Appalachian Ministry Center in Ashland. She's been with SEND Relief for 4 years and came to Kentucky from Denver, CO, where she served in a similar capacity. Audrey helps missions teams coming to Appalachia to learn how to minister to families struggling in poverty. They utilize the Lovewell Initiative's earning empowerment model and the long-term goal is to help restore families, break the chains of poverty, and ultimately lead people to Christ - who is the ultimate restorer. Visit [sendrelief.org/projects/appalachia-ministry-center/](https://sendrelief.org/projects/appalachia-ministry-center/) for more information.

### Prayer Requests

- Pray those coming to the center for resources will experience life change through gospel conversations.
- Pray local churches will go outside and engage in gospel centered, community-based ministry.
- Pray visitors to the center will feel safe and seen as they are ministered to.
