Sent from Kentucky. Sustained by you.

Ryan & Aubrey Curry

Serving in Mozambique with the International Mission Board

Ryan and Aubrey work in western Mozambique where they started serving among an unreached, unengaged people group (UUPG) called the Manyika. God has blessed and there is now a church. The Manyika people remain an unreached people group (UPG), but they are no longer unengaged (UUPG). They continue to train existing church leaders around the area.

Ryan grew up in Ashland, Kentucky as a member of Rose Hill Baptist Church. He is a graduate of Morehead State University and the Southern Baptist Theological Seminary.

Email curryitr@icloud.com to receive their newsletter.

Prayer Requests

- Pray the Lord will continue to raise up workers to reach the Manyika people.
- Pray the churches of Mozambique will catch a vision for going to the unreached people of their country.
- Pray the Lord will provide resources for reaching the lost of Mozambique.
