Mark & Caron Johnson

Serving in Brazil with the International Mission Board

Caron was raised in western Kentucky and Mark is originally from Illinois. They live in the southern part of Brazil but work all over the Americas. Mark & Caron serve on a training team involved in theological education. They train leaders for today who will be the global leaders of tomorrow. The Johnsons have lived in Brazil for 32 years and raised their 2 children there.

Mark served as pastor at Beechmont Baptist Church, Locust Grove and East Cadiz Baptist Churches, before deploying to the field. Rich Pond Baptist Church has partnered with them and has served as their sending church in recent years. Email them at Caron.Johnson@gmail.com to receive updates.

Prayer Requests

- Pray for the team we supervise that is spread across Brazil, Mexico, and Chile. The geographic distances, multiple languages and cultures make it complicated at times.
- Pray for new missionaries to come help in Cali, Colombia, and in Belem and Recife, Brazil.
- Pray for our extended family living in the US and for wisdom as we consider future decisions related to Caron's mom.
