

# KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

## Sarah Beth

*Serving in Thailand with the International Mission Board*

Sarah Beth has recently joined a team that is working with Thai Buddhist University students in Southern Thailand. Their team goal is to see a church planted out of the student center. The student center is used to engage students through game nights, international food or cultural events, etc. They also utilize paddle boarding to engage students as they are located on a big lake and the Gulf of Thailand.

Sarah Beth grew up in a minister's family and moved several different times as her father served churches in Georgia and Kentucky. Today, her family lives in west Kentucky where her dad serves as an AMS in Benton and her brother, the worship pastor in a local church. Connect with Sarah Beth at sarahbeth20.24@proton.me

### Prayer Requests

- Pray I'll learn the language well and be proficient very soon.
- Pray for Thai Buddhists to have open ears and hearts toward the gospel.
- Pray for me to settle in well and begin to build good community.
