

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

Jeremiah & Anna Brown

Serving in Croatia with the International Mission Board

Jeremiah and Anna live in Croatia with their three kids (Louella, Mabel, and Silas) and are working to plant a church plant in a town that has never had an evangelical church. It is hard work and they know of only one other Christian family in the entire town.

Both Jeremiah and Anna are from Rockcastle County. They were sent out by Immanuel Baptist in Williamsburg/ Corbin, but have many beloved brothers and sisters in Rockcastle and surrounding areas. Sign up to receive their newsletter at littlewanderersblog.com.

Prayer Requests

- Pray for us as we settle into a new town and for the children as they once again make new friends.
- Pray that only other family of believers in our new town will excitedly join us in planting a church to reach their neighbors.
- Pray the gospel will break the strongholds of Catholic tradition that gives our people group a false sense of security.
