

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

Dake & Amy

Serving in Central Asia with the International Mission Board

Dake and Amy are empty nesters. Their oldest daughter, Gabby, lives and works in Kentucky while their youngest, Lily, is a Junior at Baylor University in Texas. They are teachers at an international school that serves other expat families from around the world. Besides teaching, they are involved in outreach work like English clubs. In their day to day lives, they work to build deep relationships with locals to share Truth.

Amy grew up in Lexington while Dake grew up in Central City and Paducah. They met at Murray State University and after graduating began teaching in Meade County a few years before the Father called them overseas. While living in Brandenburg, they joined Buck Grove Baptist Church, who have loved and supported them while serving overseas.

Prayer Requests

- Pray for the salvation of Ian (name changed) who is a successful young man that is asking questions and processing the Truth he is hearing.
- Pray for Amy as she mentors and shares the gospel with teachers and mothers in the school.
- Pray our local multi-ethnic church will grow and reach out to the community with the gospel.
