

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

Lindsey Osbourne

Serving in Panama City, Panama with the IMB

Lindsey serves as mobilizer of the U.S. church in Panama City, Panama, hosting and assisting churches who come to partner in advancing the Gospel. She supports ongoing ministry efforts alongside local believers while also equipping U.S. teams to confidently share their faith. When Lindsey is not hosting and equipping teams, she helps national partners in various settings to further develop local leaders and ministries.

Lindsey was born in Louisville and attended Cedar Creek Baptist Church, where she professed faith in Christ and as a teenager. She later moved to Lexington to study nursing at UK and was involved with Center Point Church. After graduating, she worked as an ER nurse and attended classes at Southern Seminary. Through multiple short-term missions trips, God stirred her heart with a burden for reaching the nations.

Prayer Requests

- Pray God will open doors for Lindsey to use her nursing license in Panama.
- Pray that her eyes will remain fixed on Jesus and that she will obediently follow wherever He leads.
- Lindsey's mother and sister have recently come to know Christ. Please pray for the salvation of her father.
