*An opportunity for women to be refreshed, strengthened, and sent out with purpose.*

Rooted in Ephesians 3:17-19, this year's theme—"Rooted, Transformed, Filled"—will guide us as we explore what it means to be firmly planted in Christ's love, continually transformed by His power, and filled to overflowing with His fullness. Through biblical teaching, meaningful worship, and intentional connection, you'll be encouraged and equipped to disciple others right where God has placed you.
