

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

Earl & Robin Pinkston

Serving European Affinity with the International Mission Board

Earl and Robin went to Malta in September 1998 as ISC missionaries and are continuing to live and minister there. We work closely with Knisja Evangelika Battista (Evangelical Baptist Church) and also alongside all the evangelical churches in Malta. We also support other IMB teammates in Malta and Sicily. We have had several teams of volunteers from Kentucky in the past, and are planning to continue to do so as God opens doors. Our sending church is Bethel Baptist Church in Harrodsburg, Kentucky.

Prayer Requests

- Pray for our family as Earl and Robin are back to Malta since January 2026 after a few months in Kentucky on stateside assignment, and leave all three young adults here.
- Lift up the need for leadership development and training and particularly pray for protection and wisdom for the current leaders.
- Pray for a group of missionaries and locals who are reaching out to students at the University of Malta. Ask that they will have divine appointments and find young adults willing to read and engage with Scripture, and say "yes" to Jesus!
