

KENTUCKY BAPTIST SENT ONES

Sent from Kentucky. Sustained by you.

Chris & Rhonda Richard

Serving American Peoples with the International Mission Board

We are city team leaders in Buenos Aires, Argentina. We also host a church plant and our English conversation club in our home. Our team consists of two journeymen, our US mission team coordinator, our university campus ministry leader, and our logistics coordinators. We work primarily with university students, of which there are 500,000 in the city, and young adults. We partner with the local association of Baptist churches, ABUA (campus ministry), CRU (campus ministry) and Palabra de Vida (Word of Life Bible Institute). Our children are Hannah and Kinley, and our sending church is Hebron Baptist Church in Hebron, KY.

Prayer Requests

- Please pray that our church plant would grow in unity and number, and the LORD would open doors to greater relationships in the community of Belgrano in which we gather for worship.
- Please pray for the university and young adult ministry of our city team. Pray that the LORD would do a mighty work in raising up young people on campuses and throughout the city to be mobilized to reach the lost.
- Pray for our English language ministries, that the LORD would use these to advance the kingdom here.
